New York, NY 10110

Dear Mr. Savell:

Thank you very much for participating in the 2001-2002 *Junior High School Law-Related Education Project*. The time you spend speaking with New York's public school students teaches them about the law, careers in law and legal resolutions to problems in their communities, and has a significant impact on their education.

We are interested in the outcome of presentations given during the week of May 13. Please complete the enclosed volunteer feedback form and return it to me by **June 14, 2002**.

You will be contacted in the fall about volunteering for next year's program. If your address or other contact information will be changing in the fall, please note the changes on the feedback form.

Thank you again for your commitment to public service. I hope that you will continue participating in this dynamic project. If you have questions, please call me at (212) 382-6648 or email me at [cokereke@abcny.org](mailto:cokereke@abcny.org).

Sincerely,

Chrissy Okereke  
Project Coordinator
