Dear Lawrence:

This letter is to confirm that you have been placed as a volunteer at the High School of Economics and Finance. You will give a presentation for the Weill Institute Law Seminar (please contact us as soon as possible if this information is incorrect or needs to be updated).

It is vital to the continued success of the Public Service Network that we have thorough, accurate information about the nature and impact of our volunteer placements. In that regard, we will contact you periodically for updates on the progress of the placement, the type of work performed, and the number of hours volunteered. Please contact the Network to let us know when the volunteer placement has ended.

Thank you for volunteering through the Public Service Network. Please let us know if there is anything we can do to assist you. We look forward to hearing about your progress in the future.
