

Musical statutes

.....

Just in. The ideal late Christmas gift for the musically minded lawyer (Tulkinghorn knows there are a few of you out there).

Yes, it's the latest album of soon-to-be pop classics from Lawtunes. Choose from (She's an) Electronic Discovery, Livin' Life in Six Minutes (2nd ed) or that all-time fave Everywhere There is a Client.

Somewhere on this album you're going to hear the immortal lines: "It's nice to be in-house 'cos it's cold outside"; "I want a rainmaker reindeer to call my own"; and "You don't wanna cross Santa on the witness stand".

Go on, make it a singalongalaw Christmas this year. Check it out at www.lawtunes.com.
