Dear Larry:

On behalf of the students and staff of the High School of Economics & Finance and the Weill Institute, thank you for your time and commitment in "The Legal Profession" seminar. Your experience and expertise proves invaluable to the education of our students and provides an introduction to liability defense and media law.

We welcome your participation in the Weill Institute soon. Meanwhile if you have any ideas for new Weill Institute seminars or ways to improve our program, feel free to contact me.

I look forward to working with you again. Thank you!

Warm Regards,
