

"YESTERDAY"

(To the tune of "Yesterday")

Parody Lyrics Copyright (C) 1982-2002 Lawrence Savell

Yesterday
Graduation seemed so far away
Now it's only just a month away
Oh, I remember
Yesterday.

Property
Yes, it all began with Property
Chasing foxes then to UCC
Oh, Property came not to me.

Why we went to class please don't ask
For me to say
We would go and fill the back row
And there we'd pray
Yesterday.

Pass was such an easy game to play
Unless you had L. Hart or J.J.
Oh, I remember
Yesterday

Three years at this school
Playing fools along the way
But they passed so fast
That at last
I want to stay
In Yesterday.

Trading carrels for some office space
Even though I'm in another place
I will remember
Yesterday.
