Welcome to the Legal Talk Network

The Legal Talk Network is the first truly interactive network for attorneys nationwide. Our multimedia network lets you get the latest legal news, listen to Internet radio shows hosted by the leading attorneys across the U-S and access important legal resources and technology...all in one place. The Legal Talk Network will make a difference in the way you practice law!

Holidays with Lawyers - 12/15/05

Put the briefs and blackberrys away and have a good-spirited laugh at the legal community. **Coast to Coast**, hosted by Attorneys and Law.com bloggers, **J. Craig Williams** and **Robert Ambrogi**, brings listeners a special treat for the holidays. **Lawrence Savell, Esq.** from the New York firm of **Chadbourne & Parke LLP**, shares his musical scales of justice from **LAW TUNES** just in time for your holiday listening. You Don't Want To Cross Santa (just one song you'll hear). It's music, it's humor and it will be one of the best half-hours you'll spend between the holiday crush and the courthouses this season! Happy Holidays!

Adjusting to Life After Your Accident

Join Ringler Radio host, **Larry Cohen**, head of NE Operations for Ringler Associates, as we delve into a very important topic for many lawyers and their clients involved in personal injury lawsuits. With the help of our special guest, **Nancy Starnes, VP and Chief of Staff for the National Organization on Disability (N.O.D.)**, we discuss the real life adjustments after an accident. Ms. Starnes is a nationally recognized spokesperson about the issues and obstacles that disabled persons face every day. In fact she shares her own personal experience coming back from a physically disabling injury after a plane crash. Don't miss this compelling show!
